

663157 Sizzix® Thinlits™ Die Set - Mini Pop-Up House by Katelyn Lizardi

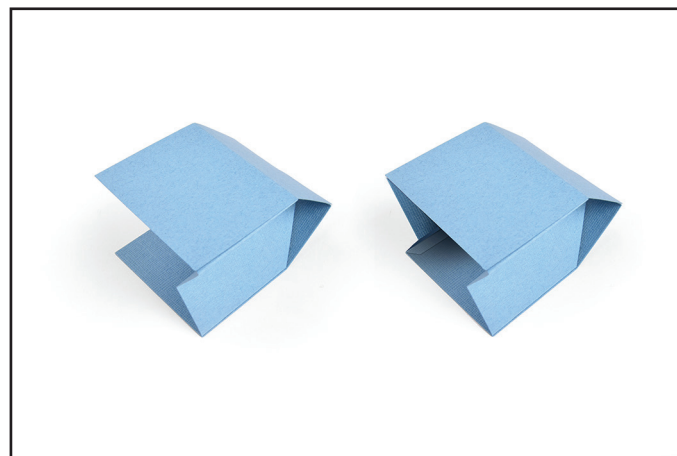

1. Die-cut the house pieces out of desired materials, and apply adhesive to the tabs as shown.

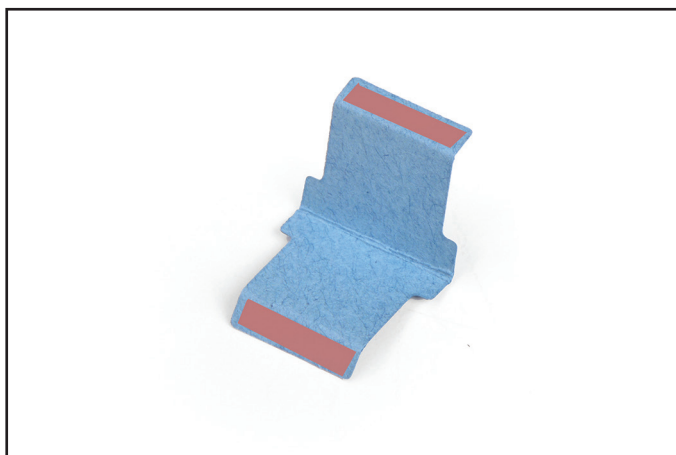

2. Connect the roof and side walls by interlocking the two tabs. Fold all the creases in the same direction.

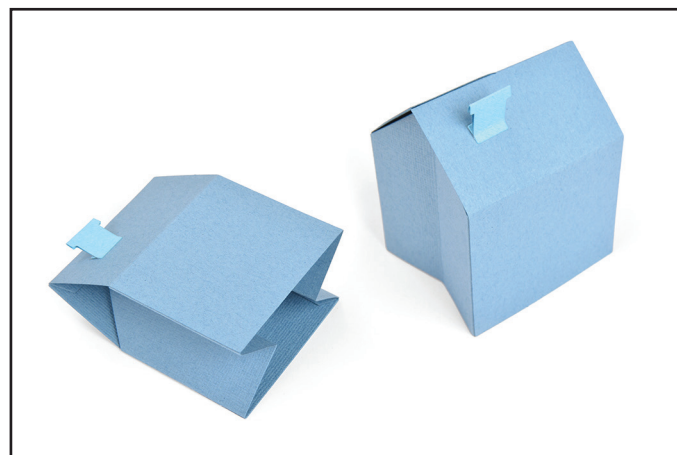

3. Accordion fold the front and back walls as shown.

4. Adhere the front and back walls to the side walls.

5. Accordion fold the chimney, and adhere it to the roof.

6. The house is designed to fold flat to fit in an envelope. Embellish as desired.
